

Accident Scene Management Followup 09/28/23

	How did you benefit from taking the Accident Scene Management course you received from AMSAF?	How did the AMSAF Scholarship personally benefit you?	Did the Accident Scene Management Program provide everything that you expected?	Are you aware of the other programs that AMSAF offers to help save you money and be safer?	How did you hear about the Accident Scene Management program?
9/12/2023	As an EMT, it gave me an increase of knowledge to assist at an accident scene. Now I am also an Instructor for ASM	It made is affordable to take.	Yes it did.	Yes, my son is enrolled in Safety Training class to get his license.	Teresa Martinez
4/28/2023	I feel better prepared to deal with an accident while out on the road on while conducting training classes.	Without the scholarship, I would probably not have taken the class. Thank you.	Yes.	Yes, I have been to the website.	My girlfriend had signed up first.
4/19/2023	I know that i have more knowledge about what to do and the proper way to do it in case i come across a accident or a rider down situation		Yes and More		I Am a member of ABATE OF ARIZONA
4/19/2023	It made me more aware of what to do and not do at a motorcycle accident scene.	It saved me money and increased my first aid skills.	Yes, and then some. The advanced course portrayal of an accident scene was very informative.	I am aware of the one that helps with helmet purchases.	Thru my HOG Chapter at Harley Davidson of Scottsdale and Teresa & Ben Martinez
4/18/2023	I learned a lot about assessing the scene.	It made me more aware of what will need to happen in the incident of an accident.	Yes, a better understanding of why we don't do certain actions.	Yes, I am aware of the advance course.	Through a friend that ride with the wind sisters.
2/7/2023	I received excellent training on what to expect at a collision scene and how to appropriately respond. I was able to purchase at very reasonable prices medical supplies to carry on my bike. I now ride with a greater amount of confidence.	I appreciate the willingness of AMSAF to incur some of the cost for this training.	It absolutely met and exceeded my expectations.	Yes. I used your helmet program to purchase a much higher quality helmet for myself. Without your assistance I don't think I would have been able to afford the helmet I ultimately bought.	Word of mouth from Rosie Kazoom who works for Mark and Alexis Breyer.
2/7/2023	It made me more aware as to what to prioritize when coming upon a motorcycle scene. Also what to do and what not to do at the scene.	It made taking the course more affordable	Yes, and then some	Not really	Thru Harley Davidson of Scottsdale's H.O.G. Chapter 3160 and my friend Teresa Martinez, AKA "Trama Momma".
2/6/2023	Understanding the key skills taught.	Saved money for this key class!	yes	yes	through AMS
2/6/2023	The knowledge gained and skills learned have made me one more person who can react and support o an accident or other injury situation.	The scholarship saved me enough money to be able to afford both the beginner and advanced courses.	Yes, and the courses went beyond what I expected the courses to be.	Yes. There are helmet grants and rider safety programs.	I was introduced to one of the instructors at an ABATE meeting.
2/6/2023	I was able to learn skills to help me possibly save someone's life in the future.	Saving money is always nice and it's very nice that this program is available. My wife and I both took the course at the same time so it was nice to save \$100.	Yes, it met my expectations. The curriculum was very good.	Yes, I am aware of the training program and the helmet discount program.	I've been familiar with this program for years. I moved here from Illinois a couple years ago and the program was very popular there.
11/23/2022	I learned some new things that I would not learn anywhere else and had some other knowledge reinforced.	It allowed me to attend the class that I otherwise would most likely not have attended.	Yes and more.	The only other program I am aware of is the helmet program.	The Phoenix HOG #93 Safety Officer.
11/23/2022	The benefit is knowing what to do when an accident occurs. The things that are import to do to prevent further injury or potentially a death to my fellow riders and myself.	I did use the scholarship	It gave me all that I expected and more. I wanted to update my safety information and skills.	No	I took the course about 10 years ago and I was looking for the course in order to update the skills I had previously learned. I think that it is important all riders to know what to do in case of an accident to keep themselves and other safe.

11/23/2022	It helped me understand what to do if I happen across an accident scene or if someone I am riding with is in an accident. It was a great learning experience.	The scholarship saved me \$50 off the price of the course so that was very much appreciated.	Yes, it was a very worthwhile class.	Yes, I am aware of the helmet scholarship and the rider safety classes.	I've been aware of it for years. I previously took the classes in Illinois when I lived there. A group I was in at the time sponsored a class and had it at their location.
11/23/2022	Very informative and educational to assist and help someone that may have experienced an accident or aid with others that are assisting someone that has been involved in a motorcycle accident. I would highly recommend any motorcycle rider to take.	Financial assistance was beneficial in being able to make it more affordable to take the class.	Everything I had hoped for and then some, very beneficial.	yes	Teresa, our instructor attended one of our organizations monthly meeting and presented a general overview and it was presented professionally, and it the class was everything she addressed along with other beneficial information as well.
11/23/2022	Very great class I learned a lot	A lot, thank you so much	Yes	Yes	A friend
11/23/2022	It reinforced my existing knowledge, and gave me some new ideas to practice in the future.	It made the course more affordable, and I was even able to have a friend take the course with me.	Yes it did, and then some.	Not really, but I would like to be.	Thru my H.O.G. Chapter 3160 at Harley Davidson of Scottsdale, and thru Teresa & Ben Martinez
7/2/2022	I learned valuable information about securing the scene, assessing injuries and administering 1st aid to injured victims that could possibly save someone's life....including my own if I am ever the victim.	Being on a limited, social security income I might not have been able to take the courses without the scholarships and as one of the road captains in my riding group I feel this knowledge could be beneficial	The program provided everything I would have expected and more.	I was not aware of them before, but at the basic course we were made aware of the other courses and helmet assistance program. Ben & Teresa are amazing instructors who who go above and beyond to spread awareness of these programs	I initially learned of the program prior to the 2021 IFRD ride when our riding group leaders requested that all the designated road captains take the basic program and recently took the advanced course
7/2/2022	Better prepared to help and more aware of what ifs	Allowed my wife and I to take the advanced class	Absolutely excluding continuing education for nursing	Yes I also share with others	Amsaf mtg
7/2/2022	I feel better prepared to assist medical professionals when they arrival and attend an accident to minimize further injury until professional help arrives.	Made it financially available for me to attend at a location closer to home at a sooner date.	It provided more information than I expected.	Yes.	ABATE meeting and AMSAF
7/2/2022	Feel I have the knowledge needed to provide first responder assistance at an accident scene especially for a motorcycle accident.	I plan to use the Scholarship assistance in taking and completing the Advanced Accident Scene Management course.		I was aware of these programs not until I registered on the AMSAF web site.	From my local Harley Davidson HOG chapter where I took the first accident scene management course.
7/2/2022	I learned a lot about not only what to do, but also what not to do. Most important is accident scene management and first steps to keep further injuries from happening.	Things in the world are certainly tight now, every bit helps, it allowed me to garner knowledge, that while I hope that I never need, will be helpful in the event that I do.	and more	Yes, I used the helmet program previously.	My girlfriend who is an avid rider and frequents social media let me know about it.
7/2/2022	I learned the proper way to remove a helmet	I earned 6 CEU's	100%	Yes.	Close friends
7/2/2022	I learned how to help if I come across a motorcycle accident scene or someone I am riding with is in an accident.	The scholarship helped me save money for taking the course.	Yes.	Yes.	I have taken it several times in another state but my certification lapsed during Covid. Now that I live in Arizona I felt it was time to retake the course.
7/2/2022	Refresher on course topics from level 1 course & practical hands on exercise reinforced training material	Reduction in expenses for training is always a positive benefit	yes it did	yes	from social media
